Dear Recruitment Team,

I am writing to apply for the Entry-Level Telecommunications Technician position at your company. Having recently completed my diploma in Telecommunications Technology, I am eager to begin my professional journey in a hands-on technical role.

During my internship at MetroTel Solutions, I assisted in setting up and maintaining customer connections, installing cabling systems, and testing network equipment. I am highly motivated to learn and adapt to new technologies while supporting senior engineers in achieving operational efficiency.

Thank you for your time and consideration. I look forward to contributing to your team and growing within your organization.

Warm regards,
