

Preliminary Letter of Interest for Telecommunications Internship

Subject: Expression of Interest for Telecommunications Internship

Dear [Internship Coordinator's Name],

I am writing to express my interest in a telecommunications internship opportunity at your organization. As a university student majoring in Electrical Engineering with a focus on communications systems, I am eager to apply my academic learning to real-world applications.

I am particularly interested in learning about network configuration, signal processing, and system maintenance. I am available during the summer term and open to both on-site and remote work arrangements.

Thank you for considering my application. I look forward to your response.

Best regards,

[Your Name]
