

Funny Welcome Message for New Tenants

Subject: Welcome to the Neighborhood (We Promise Weâ€™re Friendly)

Hey [Tenantâ€™s Name],

Welcome to your new place! We hope the move went smoothly and that youâ€™ve already found the best spot on the couch. Donâ€™t worry â€“ weâ€™ve all been there, buried in boxes for a few days.

Just a quick note: the garbage bins are to the left, the best pizza is two blocks down, and yes, the Wi-Fi password actually works. If you need anything, you know where to find us â€“ or just yell through the hallway!

Glad to have you here. May your stay be drama-free and your rent always on time!

Cheers,

[Landlord or Neighborâ€™s Name]
