

Welcome Message for Shared Living Tenants

Subject: Welcome to the House!

Hey [Tenant's First Name],

Welcome to your new home at [Address]! We're happy to have you join our household.

Everyone here is friendly and respectful, so you'll fit right in.

The kitchen and laundry schedules are posted on the fridge, and Wi-Fi details are included in your room. If you ever need anything or want to organize a house meeting, feel free to message in our group chat.

Looking forward to getting to know you and making this a great living experience for everyone!

Best,

[House Manager or Main Tenant's Name]
