

Welcome Letter for Tenant with Pets

Subject: Welcome to Your New Home (and Welcome to Your Furry Friend Too!)

Dear [Tenant's Name],

We're excited to welcome both you and your pet(s) to [Property Name]. Our community takes pride in being pet-friendly, and we're sure your companion will enjoy their new surroundings just as much as you will.

Please review the pet policy included in your welcome packet and take note of designated pet areas and nearby pet services. Our maintenance team is available if you need any help with setup or repairs.

Enjoy your new home – we're happy to have you both here!

Warm wishes,
