

Event Organizer Testimonial Request Message

Subject: Share your [Event Name] experience with us!

Hello [Attendee Name],

What an amazing [event name] we had! The energy, connections, and feedback from attendees like you made it truly special.

We're already planning next year's event and would love to capture your experience to help others understand what makes our gathering unique. Could you share a few thoughts about:

- Your favorite session or speaker
- Connections you made
- Key takeaways you're implementing
- What exceeded your expectations

Your testimonial helps us attract the right attendees and speakers for future events. We'd love to feature it on our website and in next year's marketing materials (with your permission, of course!).

Feel free to keep it conversational – we love authentic, heartfelt feedback more than formal reviews.

Thanks for being part of what made this event incredible!

Cheers,

[Your Name]

[Event Organization]
