

Funny Brainstorming Thank You Message

Subject: Survived the Brainstorming Storm!

Hi [Recipient's Name],

Thanks a ton for braving that brainstorming session with me today! Who knew we could generate so many ideas in such little time (some of them crazier than others)?

I had a blast tossing ideas around and really appreciate your creativity and humor throughout the meeting. It made the process so much more enjoyable.

Looking forward to seeing which of our "genius" ideas actually make it to reality!

Best,

[Your Name]
