

Casual Thank You Email to Team Members

Subject: Thank You for Your Support!

Hi Team,

I wanted to reach out and thank each of you for the incredible support you've shown me throughout my journey here. Getting promoted to [New Position Title] wouldn't have been possible without such an amazing team backing me up.

Your collaboration, feedback, and friendship have made all the difference in my professional growth. I've learned so much from working alongside each of you, and I'm grateful for the positive environment we've created together.

As I transition into this new role, I'm excited to continue working with you all and supporting our team's success in new ways. Thanks again for being such fantastic colleagues and friends.

Looking forward to celebrating together soon!

Cheers,

[Your Name]
