

Informal thanks for retirement celebration gift

Hi everyone!

What an amazing party! I'm still smiling thinking about all the fun we had celebrating my retirement together. Thank you so much for the fantastic [gift] – it's perfect and I absolutely love it!

You all know how to throw a party, and more importantly, you know how to make someone feel special. The gift was such a wonderful surprise, and I can't wait to use it during my retirement adventures.

I'm going to miss our daily interactions, coffee break conversations, and yes, even our Monday morning meetings! But I'm taking with me incredible memories and friendships that I'll treasure forever.

Thanks again for everything – the gift, the party, and most of all, for being such amazing colleagues and friends.

Cheers to new beginnings!
