

Relaxed and friendly thank you message

Subject: Thanks for the Great News!

Hi [Manager's Name],

I just wanted to drop you a quick note to say thank you for the salary increase! Getting that news totally made my day (and probably my whole month).

I really appreciate that you've noticed the extra effort I've been putting in lately. It feels great to know that hard work doesn't go unnoticed around here, and it definitely motivates me to keep bringing my A-game.

Thanks for being such a supportive manager and for creating a work environment where people actually want to do their best. Looking forward to what we can accomplish together moving forward!

Cheers,

[Your Name]
