

Informal message for close friend sympathy

Hey [Name],

I can't begin to tell you how much your support has meant to me these past few weeks. From bringing dinner to just sitting with me while I cried, you've been exactly the friend I needed.

The photo album you put together of [deceased's name] is something I'll treasure forever. Seeing all those happy memories reminded me that while grief feels overwhelming right now, there's so much joy to remember too.

Thank you for being you and for loving [deceased's name] as much as I did. I'm lucky to have you in my corner.

Love and hugs,

[Your name]
