

Funny Thank You Message From Santa

Ho Ho Ho!

You really made it onto my "Nice List" this year"thank you for all the laughs, giggles, and cookies left out for me (they didn't last long!). The elves and I are still talking about that hilarious drawing you sent"they loved it!

Keep up the fun and joy, and maybe leave some carrots for the reindeer next time"they get a bit hangry after flying all night!

Santa
