

Creative thank you email to HR for onboarding

Subject: Big Thanks for a Warm Welcome!

Dear [HR's Name],

I just wanted to drop you a quick note to say a big THANK YOU for the smooth onboarding experience! From the paperwork to the warm introductions, everything was organized so well, and it made me feel right at home from day one.

Your personal touches, like walking me through the first-day process and answering my endless questions, really made a difference. It was the perfect start to my journey at [Company Name].

Thanks again for making the transition so comfortable!

Cheers,

[Your Name]
