

Formal farewell and gratitude

Dear [Landlord's Name],

As my tenancy at [Property Address] comes to an end, I wanted to take this opportunity to thank you for being an exceptional landlord throughout my time here.

Over the past [duration], you have consistently provided excellent service, maintained the property to high standards, and addressed any concerns with professionalism and efficiency. Your fair treatment and respect for tenant rights created a positive living environment that I will remember fondly.

I hope you find excellent tenants for the property, as it truly deserves to be occupied by people who will appreciate the care you put into maintaining it. Please don't hesitate to use me as a reference for the property's condition and your professionalism as a landlord.

Thank you once again for everything.

Sincerely,
