

Professional appreciation for safety improvements

Dear [Landlord's Name],

I am writing to thank you for the recent security improvements you implemented at the property. The new exterior lighting, updated locks, and security system installation have significantly enhanced my sense of safety and peace of mind.

Your proactive approach to tenant security demonstrates your commitment to providing not just housing, but a safe living environment. These improvements show that you listen to tenant concerns and take action to address them thoughtfully.

I wanted you to know that these enhancements are noticed and deeply appreciated.

Respectfully,

[Your Name]
