

Appreciation for belated wedding gift

Subject: Thank You for the Lovely Surprise!

Dear [Name],

What a wonderful surprise it was to receive the [specific gift] from you! Even though some time has passed since our wedding, receiving your thoughtful gift brought back all the joy and excitement of that special day.

The [gift] is absolutely perfect and has already found its place in our home. Your thoughtfulness in selecting something so suitable for us, even after the wedding festivities had ended, means so much to us.

We completely understand that life gets busy, and the fact that you took the time to choose and send such a meaningful gift shows the kind of caring person you are. Good friends like you are worth waiting for!

Thank you again for your generosity and for thinking of us. We hope to see you soon so we can show you how much we're enjoying your gift.

Warmest thanks,

[Your names]
