Hi [Name]!

Just wanted to drop you a quick message to say thanks for that awesome idea you shared about [suggestion topic]. Seriously, it's exactly the kind of creative thinking we love to see around here! I've already passed it along to the team, and honestly, there's some real excitement brewing about it. Your suggestion about [specific detail] was particularly brilliant – I wish I'd thought of that myself!

We're going to dig into this more over the next few weeks and see how we can make it happen. I'll keep you posted on how things develop, and if we end up implementing it, you'll definitely get the credit you deserve.

Keep those great ideas coming – you're clearly onto something good here!

Cheers,
