

## Safety Concern Acknowledgment

Dear [Name],

Thank you for bringing the safety concern regarding [safety issue] to our attention. We take all safety-related suggestions with the utmost seriousness, and your vigilance in identifying this potential hazard is both appreciated and valued.

Your suggestion has been immediately forwarded to our Safety Committee and Risk Management team for urgent review. We have already initiated a preliminary assessment of the situation you described, and temporary measures are being considered to address any immediate risks.

A full investigation and evaluation of your proposed solution will be completed within [specific timeframe]. You can expect a detailed response outlining our findings and the corrective actions we plan to implement.

Your commitment to maintaining a safe environment for everyone is commendable. Please continue to report any safety concerns or suggestions you may have – your input plays a crucial role in preventing accidents and protecting our community.

Sincerely,

[Your Name]

[Safety Officer/Manager Title]
