Reference for cross-border business verification

Subject: International Trade Reference - [Company Name]

Dear Colleagues,

Greetings from [Your Company] in [Country]. I am pleased to provide this international trade

reference for [Company Name], located in [Country].

We have maintained cross-border trading relationships with this company for [Duration],

conducting transactions totaling approximately \$[Amount] annually. All payments have been

processed through established banking channels with proper documentation and compliance with

international trade regulations.

[Company Name] has demonstrated cultural sensitivity and adherence to local business

practices. They maintain appropriate export licenses and certifications, and their documentation has

always been complete and accurate for customs clearance.

Currency exchange and payment processing have been handled professionally, with payments

consistently received within agreed timeframes despite international banking delays. Their English

communication skills are excellent, facilitating smooth business operations.

We consider them a trustworthy international partner and would recommend them for global trade

relationships.

Best regards,

[Your Name]

[International Trade Manager]
