Subject: My Academic Past (aka Transcript Request)

Hello Registrar,

I never thought I'd be digging up my academic past, but here we are. Could you please send me a copy of my transcript from [Year]? Don't worry—I promise I'm not trying to relive those late-night exam nightmares.

If there's a form or fee, please let me know, and I'll gladly comply. Please send the transcript to [Recipient/Institution]. Thanks for helping me take this little trip down memory lane!

Best,

[Your Name]
