

Grandparent Custody Request

Subject: Request for Grandparent Guardianship

My dear [Son/Daughter],

It breaks my heart to write this letter, but recent events have made it clear that I need to step forward for [Grandchild's Name]'s sake. Your current situation has created an environment that is not safe or stable for a child, and I can no longer stand by and watch.

As [Grandchild's Name]'s grandmother/grandfather, I am requesting that you voluntarily transfer guardianship to me. This decision comes from a place of love - love for you and overwhelming love for [Grandchild's Name] who deserves a secure home environment.

I have already consulted with family services and legal counsel to understand the process. I am prepared to provide a stable home, continue [Grandchild's Name]'s education without disruption, and maintain medical care. Most importantly, I will ensure that you can remain part of [Grandchild's Name]'s life as you work toward getting back on your feet.

This doesn't have to be permanent, but it is necessary right now. I hope you can see that this comes from love, not judgment. Our family has always supported each other through difficult times, and this is no different.

Please consider what's best for [Grandchild's Name]. I'm here to help you through this process and support you in whatever way I can.

All my love,

[Your Name]
