

Medical Condition Guardianship Transfer

Subject: Guardianship Transfer Due to Serious Illness

Dear [Recipient's Name],

I am writing to inform you of a significant change in my health status that requires immediate action regarding the care of [Child's Name]. My recent diagnosis of [Condition] and the intensive treatment required make it impossible for me to continue providing adequate care.

After much consideration and consultation with my medical team, I have determined that transferring guardianship is in [Child's Name]'s best interest. The uncertainty of my prognosis and the demanding nature of my treatment schedule require that [Child's Name] have stability and consistent care.

I am requesting that you accept guardianship responsibilities, as you have always been a trusted and loving presence in [Child's Name]'s life. I have prepared detailed information about [Child's Name]'s routines, preferences, medical history, and educational needs to ensure a smooth transition.

While this is incredibly difficult for me, I find comfort knowing that [Child's Name] will be cared for by someone who truly loves them. I hope to remain involved in [Child's Name]'s life as my health permits, and I trust you will facilitate this relationship.

Please know that this decision reflects my love for [Child's Name] and my desire to ensure their well-being during this challenging time.

With love and gratitude,

[Your Name]
