

Heartfelt Message for Volunteer Translation Opportunity

Subject: Volunteering as a Translator for Your Organization

Dear [Coordinator's Name],

I recently learned about your organization's mission, and I would love to contribute my translation skills to your cause. I have been translating English and Spanish for community outreach programs for over two years and believe that language access can make a real difference.

Volunteering with your team would allow me to support your message and reach a wider audience.

Please let me know how I can get involved.

Thank you for your inspiring work.

Warmly,

[Your Name]
