

## Casual email for part-time delivery job inquiry

Subject: Part-Time Delivery Work Inquiry

Hi there,

I came across your post about needing part-time delivery drivers, and I wanted to ask if youâ€™re still hiring. I have my own vehicle and flexible hours, so I can work evenings and weekends. Iâ€™ve done local deliveries before and enjoy being on the road.

Please let me know if youâ€™d like me to send over my details or stop by for a chat. Iâ€™d love to be part of your delivery team.

Best regards,

[Your Name]
