

Preliminary message for driver training program application

Subject: Inquiry About Driver Training Opportunities

Dear [Program Coordinator],

I am interested in learning more about your driver training and licensing program. I have always been interested in transport and logistics and would like to build a career in this field. I currently hold a valid learner's permit and am eager to gain professional experience.

Could you please provide details about the next intake date, eligibility, and any application requirements? I'm looking forward to developing the skills necessary to work as a professional driver in the transport industry.

Thank you for your assistance.

Sincerely,

[Your Name]
