

Heartfelt letter for delivery job after a career change

Subject: Application for Delivery Driver Role

Dear [Hiring Manager],

After several years working in a desk-based role, I have decided to pursue a more active and practical career path. I am applying for the Delivery Driver position because I value independence, responsibility, and direct interaction with customers.

Though I am new to professional driving, I am confident that my reliability, strong work ethic, and customer service background will make me an asset to your team. I am eager to learn and grow within your company.

Thank you for considering my application. I appreciate your time and hope for an opportunity to contribute to your operations.

Warm regards,

[Your Name]
