

Professional Sponsorship Request Letter

Subject: Sponsorship Opportunity with [Team Name]

Dear [Sponsor Name],

I am contacting you regarding a sponsorship opportunity with [Team Name], a competitive travel baseball team participating in regional and national tournaments. Our program emphasizes athletic excellence, teamwork, and community involvement.

We are seeking financial partners to help offset costs related to tournaments, travel, and equipment.

In return, we offer visibility through logo placement on team uniforms, banners at events, and acknowledgment in our social media campaigns.

Your support will be an investment in the future of youth sports and the development of young athletes who strive for excellence both on and off the field.

Thank you for your consideration, and I look forward to discussing how we can form a mutually beneficial partnership.

Best regards,
