

Casual Neighborhood Trespassing Warning Letter

Subject: Kindly Avoid Entering Our Property Without Permission

Hi [Neighbor's Name],

I hope this message finds you well. I wanted to bring up something that has been a bit concerning.

I've noticed you or your family entering my yard at [property address] without notice. While I value our good neighborly relationship, I must kindly ask that you avoid entering the property without my knowledge or permission.

Please understand that this is for safety and privacy reasons. I appreciate your cooperation and hope we can continue to have a friendly relationship without further issues.

Thank you,

[Your Name]
