

Timeline incompatibility rejection message

Subject: Project Timeline Update - [Project Name]

Hello [Vendor Name],

Thank you for your proposal regarding [project description]. We were impressed with your technical capabilities and approach to our requirements.

However, after reviewing our project timeline requirements, we've determined that the proposed delivery schedule does not align with our critical business deadlines. Our project requires completion by [specific date], and your estimated timeline of [their timeline] would not meet our operational needs.

We understand that quality work requires adequate time, and we respect your professional assessment of the project duration. Unfortunately, these timing constraints are non-negotiable due to [brief reason if appropriate].

We appreciate your transparency regarding realistic timelines and hope to collaborate on future projects where scheduling may be more compatible.

Best wishes for your current projects.

Regards,

[Your Name]
