

# Warranty Claim Email for Home Furniture

Subject: Warranty Claim for Damaged Furniture

Dear Customer Care,

I purchased a [furniture name, e.g., dining table] from your store on [purchase date]. Unfortunately, within the warranty period, the furniture has developed cracks in the wood and is becoming unstable.

As per the warranty policy, I request either repair or replacement. I have attached photographs of the damage along with the original purchase receipt for verification.

Please advise how to proceed further.

Sincerely,

[Your Name]
