

Casual Wedding Announcement Email Template

Subject: We Did It! 🥳• [Names] Are Married!

Hi [Friend's Name]!

Guess what? We tied the knot! [Partner's Name] and I got married on [Date] and we couldn't be happier!

It was such a beautiful day at [Venue/Location]. We kept it intimate with just our closest family and friends, but we wanted to make sure all our amazing friends like you knew about our big news.

We're still on cloud nine and adjusting to being husband and wife! We'll definitely have to celebrate with you soon - maybe over dinner or drinks?

Thanks for being such an incredible friend. We can't wait to catch up and hear all about what's new with you too!

Love and hugs,

[Your Names]

P.S. Wedding photos coming soon to social media - get ready for some serious cuteness overload!

🥳,
