Subject: Beginning a New Chapter - Marriage Announcement

Dear Friends and Family,

We are thrilled to announce that we began a new chapter in our lives on [Date] when we exchanged wedding vows. [Partner's Name] and I were married in a beautiful ceremony at [Location] surrounded by our children, close family, and dearest friends.

This union brings together not just two people, but two families. Our children [Names] are excited about our blended family, and we are grateful for their support and love during this transition.

At this stage in our lives, we have found in each other a true partner, best friend, and companion for the journey ahead. We are both deeply appreciative of the love and friendship you have shown us individually, and we look forward to sharing this new adventure together.

We wanted you to know about this important milestone and to express how much your continued friendship means to us both.

Warmest wishes,

[Your Names]

P.S. We're planning a casual get-together on [Date] to celebrate with friends - details to follow!
