Subject: A Difficult Decision About Our Wedding

Dearest Family,

This is one of the hardest messages I've ever had to write. After much soul-searching and heartfelt discussions, [Partner's Name] and I have decided to cancel our upcoming wedding.

I know this comes as a shock, and I wish I could explain everything in person to each of you. The truth is, we've realized that we need more time to work through some important issues before we can commit to marriage.

This decision breaks our hearts, but we believe it's better to be honest now than to regret it later. We love each other deeply, but we want to make sure we're entering marriage for all the right reasons and at the right time.

Please know that your love and support have meant everything to us. We're so sorry for any disappointment this causes, and we hope you can find it in your hearts to support us through this difficult time.

We'll be in touch soon to talk more personally.

All our love,

[Your Names]
