

Clarifying postponement decision

Subject: Important Clarification - Wedding Cancellation, Not Postponement

Dear [Recipients],

Following our recent communication about our wedding scheduled for [Date], we want to provide clarity about our decision.

We have made the difficult choice to completely cancel our wedding, not postpone it. We understand this may cause confusion, as many couples have postponed celebrations recently due to various circumstances.

However, after extensive discussions, we have decided that cancellation is the most honest and appropriate course of action for us. We do not have plans to reschedule at this time.

We want to be transparent with you because your relationships with us matter deeply. This decision allows us both to move forward authentically and honestly.

Thank you for your continued love and support as we each begin new chapters in our lives.

Sincerely,

[Your Names]
