Subject: Important Update About Our Wedding

Dear Family and Friends,

It is with heavy hearts that we write to inform you that we have decided to cancel our wedding planned for [Date]. This was an incredibly difficult decision that we did not make lightly.

While we cannot share all the details, we want you to know that this decision is in the best interest of everyone involved. We are deeply sorry for any inconvenience this may cause, especially for those who have already made travel arrangements or taken time off work.

Your love and support mean everything to us during this challenging time. We hope you understand that we need some space to process this decision, but we look forward to reconnecting with each of you when we are ready.

Please know that we love you all and are grateful for your understanding.

With love,
