

Personal message to bridal party and groomsmen

Subject: Our Wedding Update

Dear [Bridal Party Member],

We hope you're well. We're writing with some difficult news - we've decided to cancel our wedding on [Date]. We know how much time, energy, and love you've already put into being part of our special day, and we're truly sorry.

This wasn't an easy decision, and we want you to know how much it has meant to us to have your support throughout this process. Your friendship means everything to us, and we hope this doesn't change that.

We understand if you have questions, and we're happy to talk when you're ready. For now, please don't worry about any wedding-related purchases or commitments you've made.

Thank you for being such an important part of our lives.

With love and gratitude,
