

# Welcome Back Message from New Teacher to Fellow Staff -

## Enthusiastic and Humble

Subject: Hello from the New Teacher!

Dear Colleagues,

My name is [Name], and I'm the new [subject/grade] teacher joining your incredible team this year.

While "Welcome Back" might not apply to me just yet, I wanted to introduce myself and express how excited I am to be part of this school community.

I recently graduated from [University] with a degree in [field], and I've completed my student teaching at [Previous School]. Though I'm new to the profession, I'm eager to learn from experienced educators like yourselves.

I know starting at a new school means I'll have a lot to learn about procedures, culture, and expectations. I would deeply appreciate any guidance, advice, or mentorship you're willing to offer.

Please don't hesitate to point me in the right direction if you see me looking lost!

I'm passionate about [teaching philosophy/subject], and I can't wait to contribute to our students' success. If you have a moment, I'd love to connect over coffee or lunch to learn more about the school and how I can best support our team.

Thank you for welcoming me into your professional family!

Sincerely,

[New Teacher Name]
