

Welcome Back Message from Mentor Teacher to Mentee - Supportive and Encouraging

Subject: Your Mentor is Here for You!

Dear [Mentee Name],

Welcome back! I hope you had a restful summer and are feeling ready to tackle another school year. As your mentor, I want you to know that I'm here to support you every step of the way.

Last year, you demonstrated tremendous growth and resilience. I watched you navigate challenges with grace and creativity, and I'm confident you'll continue to flourish this year. Remember, teaching is a journey, and every year brings new lessons for all of us.

I'd like to schedule our regular check-in meetings for this semester. How about we meet [frequency] to discuss lesson planning, classroom management, or any concerns you might have? These meetings are YOUR time, so come prepared with questions, ideas, or just to vent about a tough day.

I've also compiled some resources that might be helpful as you prepare for the year. I'll share them when we meet, but if you need anything before then, please reach out immediately.

You've got this, and you've got me in your corner!

With confidence in you,

[Mentor Name]
