

Celebratory welcome for special events

Dear [Guest Name],

Congratulations and welcome to [Hotel Name]! We are absolutely delighted to be part of your [anniversary/honeymoon/birthday] celebration.

To commemorate this special occasion, we have arranged a few surprises in your room, including champagne, chocolate-covered strawberries, and rose petals. Our restaurant has been informed of your celebration and will ensure your dining experience is memorable.

If you would like to arrange any additional special services such as spa treatments, romantic dining, or photography services, our celebration coordinator is ready to assist you.

May your stay with us be filled with joy and create beautiful memories that last a lifetime.

With warm wishes,
