

Specific welcome letter for virtual or online learning students

Subject: Welcome to Our Online Program

Dear Students,

Welcome to the [Program Name] at [School/University Name]! Although we may not meet in person immediately, we are committed to providing a rich and engaging online learning experience.

Please familiarize yourself with our virtual platforms and reach out to instructors or support staff if you need help navigating the online environment. We encourage active participation in discussions and virtual events.

We are excited to have you join our community of learners!

Sincerely,

[Program Coordinator/Instructor]

[School/University Name]
