

Funny Welcome Letter

Subject: Welcome! Watch Out for Friendly Neighbors ðŸ˜‰

Hi [Neighbor's Name],

Welcome to [Neighborhood Name]! We promise we're friendly (most of the time). Seriously though, it's a great place to live, and we're happy to have you join our little corner of the world.

If you see someone waving wildly, that's probably us saying hello! Looking forward to meeting you.

Cheers,

[Your Name]
